

music an appreciation kamien pdf

In North America, music appreciation courses often focus on Western art music, commonly called "Classical music". Usually music appreciation classes involve some history lessons to explain why people of a certain era liked the music that they did. "Appreciation," in this context, means the understanding of the value and merit of different styles of music.

Music appreciation - Wikipedia

Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...
