Oklahoma State Board of Licensure for Professional

Licensure means a restricted practice or a restriction on the use of an occupational title, requiring a license. A license created under a "practice act" requires a license before performing a certain activity, such as driving a car on public roads. A license created under a "title act" restricts the use of a given occupational title to licensees, but anyone can perform the activity itself ...

Fact Sheet #17D: Exemption for Professional Employees

A profession is an occupation founded upon specialized educational training, the purpose of which is to supply disinterested objective counsel and service to others, for a direct and definite compensation, wholly apart from expectation of other business gain. The term is a truncation of the term "liberal profession", which is, in turn, an Anglicization of the French term "profession lib rale".
