This list of guitar tunings supplements the article guitar tunings. In particular, this list contains more examples of open and regular tunings, which are discussed in the article on guitar tunings. In addition, this list also notes dropped tunings.

List of guitar tunings - Wikipedia

Gypsy jazz (also known as gypsy swing or hot club jazz) is a style of jazz generally accepted to have been started by the Romani guitarist Jean "Django" Reinhardt in Paris during the 1930s. Because its origins are in France, and Reinhardt was from the Manouche Roma clan, gypsy jazz is often called by the French name "jazz manouche", or alternatively, "manouche jazz" in English language sources.
