While candidate interview questions are important, it is also essential for the job seeker to be comfortable with the different types of interviews one may face during the hiring process. This process includes first, third, second, fourth, and sometimes even fifth interviews.

### **6 Essential Job Interview Questions | Workology**

Never interview for a job you are not 100% sure you can do well! 1) Do your homework. Research the company as well as your interviewer. You would never take a test without knowing how to answer the questions and an interview is no different. 2) Look professional. The way you present yourself speaks volumes to a manager.

Enthusiasm is also essential to success. When interviewing, you are likely to stand out in an employerâ€™s mind if you show excitement about the job. Prior to the interview, check out the companyâ€™s Web site to

learn about the business. Think of questions you might want answered, because asking questions is one way to show interest.
