Event tourism is not usually recognized as a separate professional field. Mostly it is seen as an application of, or specialty within national tourism offices (NTOs) and destination marketing/management organizations (DMOs).

Event tourism: Definition, evolution, and research

Ecotourism is a form of tourism involving visiting fragile, pristine, and relatively undisturbed natural areas, intended as a low-impact and often small scale alternative to standard commercial mass tourism. It means responsible travel to natural areas, conserving the environment, and improving the well-being of the local people. Its purpose may be to educate the traveler, to provide funds for ...
