The dominatrix is a female archetype which operates on a symbolic mode of representation, associated with particular attire and props that are drawn on within popular culture to signify her role as a strong, dominant, sexualised woman linked to but distinct from images of sexual fetish. During the twentieth century, the imagery associated with dominatrices was developed by the work of a ...

Jason had been pestering Mandy for ages, and while it was flattering at first, it soon began to become annoying. He was a nice enough guy, late twenties, good body, standing around the five foot ten mark, and sure, Mandy was very tempted to take him to bed and try him out, but there was something about him, she felt uncertain.
