The one-state solution, sometimes also called a bi-national state is a proposed approach to resolving the Israeli-Palestinian conflict. Proponents of a unified Israel advocate a single state in Israel, the West Bank and the Gaza Strip, with citizenship and equal rights in the combined entity for all inhabitants of all three territories, without regard to ethnicity or religion.

The two-state solution refers to a solution of the Israeli-Palestinian conflict which calls for "two states for two groups of people." The two-state solution envisages an independent State of Palestine alongside the State of Israel, west of the Jordan River. The boundary between the two states is still subject to dispute and negotiation, with Palestinian and Arab leadership insisting on the ...
