4 Understanding Copyright and Related Rights The Two Branches of Intellectual Property IP is usually divided into two branches, namely industrial property and copyright.

Understanding Copyright and Related Rights

Author and attorney Dana Robinson gives you a high-level overview of intellectual property (IP), including topics such as patents, trademarks, and other protections. Learn the answer to common IP questions and discover an attorney's perspective on how you can best safeguard your ideas, and avoid infringing others' rights.

Understanding Intellectual Property - lynda.com

intellectual property. Intellectual property is a valuable property interest, and the law allows its owner to possess and control it. The programmer who writes software or the company that hires that person to write software is deemed to be the first owner of intellectual property embodied in that software.

Intellectual Property - Rosenlaw

engaged in the debate on how intellectual property rights might better serve to promote development and reduce poverty. Finally I want to thank Clare Short, and the UK Department for International Development, for

their foresight in creating the Commission on Intellectual Property Rights. I have been honoured to chair it.
