Unemployment Extensions in The United States. In the United States, there is a standard of 26 weeks of unemployment benefits, known as "regular unemployment insurance (UI) benefits." There are two programs for extending unemployment insurance (UI) benefits: Emergency Unemployment Compensation (EUC) and Extended Benefits (EB). The unemployment insurance program is a great benefit for workers ...

Unemployment Insurance - Employer's Menu - Louisiana

Unemployment or joblessness is the situation of actively looking for employment but not being currently employed.. The unemployment rate is a measure of the prevalence of unemployment and it is calculated as a percentage by dividing the number of unemployed individuals by all individuals currently in the labor force. During periods of recession, an economy usually experiences a relatively high ...

Unemployment - Wikipedia

The federal-state unemployment insurance system (UI) helps many people who have lost their jobs by temporarily replacing part of their wages while they look for work. Created in 1935, it is a form of social insurance in which taxes collected from employers are paid into the system on behalf of working people to provide them with income support if they lose their jobs.
