Many science fiction works have been set in the 21st century (years 2001 to 2100). With humanity now in the 21st century, many of the predictions of these works have so far been proven obsolete. This page lists only predictions regarding the 21st century, as opposed to contemporary accounts of the actual 21st century, which would be too numerous to list.

TABLE OF CONTENTS . PREFACE. THE gracious reception given to my several reports of field studies among primitive racial groups and the many requests for copies of those brief reports and for further data, together with the need for providing interpretations and applications of the data, have induced me to consolidate my investigations. There have also been many requests from my patients and ...
