This is called PDF mining, and is very hard because: PDF is a document format designed to be printed, not to be parsed. Inside a PDF document, text is in no particular order (unless order is important for printing), most of the time the original text structure is lost (letters may not be grouped as words and words may not be grouped in sentences, and the order they are placed in the paper is ...

I have no intention of taking it down or charging for it. However, it does cost me money to keep it running. So, I have a few advertisements and ask people to purchase card stock through this site. If you do not wish to buy card stock, then consider using this link to purchase anything from Amazon. How does the duplex (2-sided) layout work?

Jun 22, 2009 â€™ I could be wrong, but I'm fairly sure the phrase "Internet of Things" started life as the title of

a presentation I made at Procter & Gamble (P&G) in 1999. Linking the new idea of RFID in P&G's supply chain to the then-red-hot topic of the Internet was more than just a good way to get executive attention.

A buzzword is a word or phrase, new or already existing, that becomes very popular for a period of time. Buzzwords often derive from technical terms yet often have much of the original technical meaning removed through fashionable use, being simply used to impress others; although such "buzzwords" may still have the full meaning when used in certain technical contexts.
