Concept developers bringing human factor to transformation process (), USJFCOM news, Sep 2003 - "... there are three key areas that will be critical for future operations, and impact leadership development in this joint military decision making process according to Newlon" First, is the need for a more coherent organizational design where the joint capabilities are more modular and tailorable.

### **Military Strategic Leadership Competencies, Competency**

People sleep peaceably in their beds at night only because rough men stand ready to do violence on their behalf. --- George Orwell. I am therefore of the opinion that when a democratic people engages in a war after a long peace, it incurs much more risk of defeat than any other nation; but it ought not easily to be cast down by its reverses, for the chances of success for such an army are ...
