The Secret of God's Anointing 1. WHAT IS GOD'S ANOINTING? It is knowing the supernatural presence of God upon us. It is being aware of His presence with us. I would describe it as an actual physical experience when we feel the warm presence and glow of God upon our body. It is like a signal that God sends to us saying that He is

To understand what is involved in the individual experience of archetypes, we need to understand that the experience is more than just psychological, it is extremely spiritual and monumentally existential. We are quite literally manifesting the macrocosm within the microcosm of the human experience.

It was easy for gods, spirits and men to pass from one realm to the other. And again, there is a blurring between types of beings: in the beginning men and animals were gods, and plants had speech. Even now, it is not entirely otherwise: "In short, Shinto as a religion was an unorganized worship of spirits.
