12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

So naturally, I have always wanted to have my own solar power farm. Until now, various excuses kept me from getting it done: no great places to put panels on the roof of my main house, slightly unfavorable local regulations, but mainly a lack of knowledge of exactly what to buy and how to install it.
